Quality starts with attitude. At Starcraft, we've always referred to that attitude as *Starcraftsmanship!* It's a working philosophy that starts with research and design, and carries all the way through production to sales and service. It's our way of bringing you more in terms of value, service and warranty.

It's a standard of excellence, a frame of mind. *Our* frame of mind. *Our* standard of excellence. A standard of quality and craftsmanship we continually strive to expand every day.

When you take the best ideas, designs, materials and people, and put them all together, year after year, you earn a reputation. That reputation goes on the line every time we sell another product. Add up the reasons for our success, and you have the best reason of all to buy a Starcraft ... *Starcraftsmanship.*

**3610 Caramel w/Harmony White Décor**

Whether you're heating frozen pizza or preparing a multiple course dinner, Centennial's kitchen is surprisingly like home. It has residential-height counters, a stationary sink with a hi-rise faucet, a 3-burner range with optional oven, lots of work space and a refrigerator. For even more residential comfort and convenience, choose a floorplan with a shower and toilet.

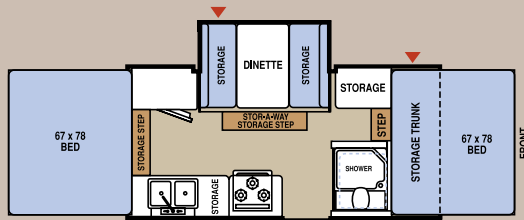

Setting up your Centennial couldn't be easier! The sofa and galley remain in the up position, even when Centennial is in transit. Love to camp off-season? No problem; Centennial's bunkends have heated mattress covers!

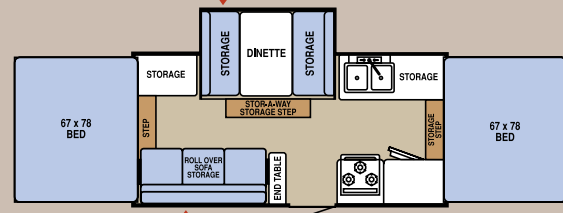

**3612 Caramel w/Sierra Maple Décor**

All Centennials have a dining area slideout for dramatically increased living area, storage galore and a full 7' 3" of interior headroom. Choose either Harmony White or Sierra Maple interiors. Both look great with our new caramel décor.

For nearly 50 years, Starcraft folding camping trailers have ranked among the industry's most popular. With so many floorplans to choose from, you're sure to find a Starcraft that's just right for you. Try our cozy 1707, or our beefy 2412 with its large-group-oriented U-lounge slideout. Whichever model you choose, the name Starcraft means you can count on sound construction, the most asked-for amenities and tremendous value for your leisure time dollar.

Want to take the road less traveled? You can with Starcraft's RT series folding camping trailers. They're made for rougher roads with high, open wheel wells, larger tires, mud flaps, and super lube axles for easier, more controlled off-road towing. All but the 10RT have an extended front cargo area, so you can take along the extras that make a regular weekend sensational. Depending on the model, you can include motorcycles, dirt bikes, 4-wheelers and other toys, firewood and gear.

13RT Caramel w/Sierra Maple Décor

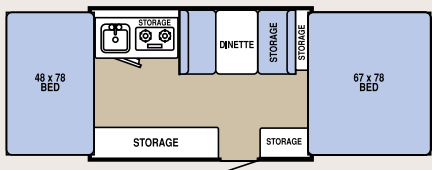

Our two largest RT models, the 34 and 36, offer front and rear heated pillow top mattress covers. The 36RT has a new folding hard-wall shower and gray water holding tank. Visit your Starcraft dealer soon and experience the freedom Starcraft folding camping trailers provide.

### GVWR — Gross Vehicle Weight Rating

The maximum permissible weight of the trailer when fully loaded with all systems filled. It includes all weight at the trailer axle(s) plus hitch.

### UVW — Unloaded Vehicle Weight

Sometimes referred to as the Gross Vehicle Weight or Curb Weight, the UVW is the dry weight of the trailer as manufactured at the factory. It includes all weight at the trailer axle(s) plus hitch.

### HW — Hitch Weight

Hitch Weight represents the portion of the trailer weight that is carried by the tongue to the hitch ball on the tow vehicle.

### CCC — Cargo Carrying Capacity

Sometimes referred to as Rated Cargo Load, the CCC is equal to the GVWR minus each of the following: UVW, full fresh water weight (including standard water heater) plus filled propane tank(s) and battery weight.

Note: Weight distribution equipment may be used on Centennials, RTs and any unit with a slideout.
